

NOTICE OF PUBLIC COMMENT
ON
PERMIT APPLICATION AND DRAFT PERMIT FOR A
HAZARDOUS WASTE TRANSFER FACILITY
TRADEBE TREATMENT AND RECYCLING NORTHEAST, LLC
410 SHATTUCK WAY, NEWINGTON, N.H.

The New Hampshire Department of Environmental Services, Waste Management Division (Department), has received a complete Hazardous Waste Transfer Facility Permit Application, pursuant to RSA 147-A, from Tradebe Treatment and Recycling Northeast, LLC (Tradebe), 410 Shattuck Way, Newington, NH. The facility currently holds Hazardous Waste Transfer Facility Permit No. DES-HW-TF-2000-01. The existing Hazardous Waste Transfer Facility currently transports, consolidates and bulks hazardous wastes at the Newington facility in ten (10) days or less. These hazardous wastes are then transported to an off-site permitted hazardous waste facility.

The Permit Application submitted by Tradebe as part of the administrative record and Draft Hazardous Waste Transfer Facility Permit may be reviewed by the public at the Department's office in Concord, New Hampshire, by scheduling an appointment or on the New Hampshire Department of Environmental Services website (www.des.nh.gov). The permit application documents and Draft Hazardous Waste Transfer Facility Permit are also available for public review at the following location during regular library business hours:

Langdon Public Library
330 Nimble Hill Road
Newington, NH 03801
(603) 436-5154

A 45 day Public Comment Period for the application shall extend through the close of business on September 8, 2014. During the Comment Period, any person may submit written comments and a public hearing may be requested in writing. All comments and requests shall be made in writing and shall include the name and affiliation of the person making the comment or request, as well as a short statement regarding the need for a hearing if so requested. All comments shall be duly considered in the permit application review process and the Department shall respond to comments as set forth in Env-Hw 304.21(c).

Please direct inquires or forward written comments to Linda R. Birmingham, Waste Management Engineer, New Hampshire Department of Environmental Services, Waste Management Division, P.O. Box 95, 29 Hazen Drive, Concord, NH 03302-0095; telephone (603) 271-2942; fax (603) 271-0869.
